Opinions for Good – Market Research Surveys

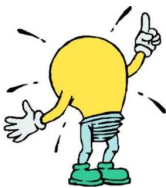

Op4G (Opinions for Good) is a private member-based market research company in New Hampshire. They partner with nonprofit organizations to create a very select and specific database. Op4G makes it possible for people to earn money for themselves and their favorite non-profits by participating in internet-based market research. All surveys are anonymous and are accessed via a safe and secure website. Your identity is never known and will never be sold. You choose which surveys you would like to complete.

Benefits:

- Op4G members will be paid for participating in market research.
- Just by signing up, new Op4G Members give NCS the opportunity to earn additional funding.
- If Op4G has met their selection criteria and you do not get to complete a particular survey, you will still be entered into a monthly drawing of \$500 to potentially benefit NCS.

How to get started:

- Visit www.newburyportchoralsociety.org/fundraisers/
- Click on the Op4G link.
- Make sure you see **Newburyport Choral Society** at the top of the registration page.
- Complete the short demographic questionnaire (your information will always be kept private and secure by Op4G). You will receive a confirmation link and all communication will be via email and internet.
- Complete a survey or participate in a focus group and both you and NCS will be reimbursed.
