Vaughan Williams Toward the Unknown Region:

<https://www.choralia.net/vw10mp3/vw10mp3en.htm> midi files and can slow the tempo down for each voice part.

Faure:

<https://www.chordperfect.com/gabriel-faure/> midi files, can slow these down, separate voice parts.

http://cyberbass.com/Major_Works/Faure%20G/faure.htm; midi files and you can slow these down and hear 1 or 2 or all 4 parts at a time.

<https://www.choraltech.us/midilist.htm> scroll down to find Faure in Alphabetical order by composer.

For a Fee:

All of our music can be found on this new website for choral singers using real voices on each voice part. But it is a \$12.99 subscription fee to download anything you want for one month. You can cancel the subscription after one month and keep your downloads.
